WOMEN'S ZANZIBAR RETREAT 2027

LUXURY RETREAT · CONFERENCE · CULTURE · WELLNESS · ADVENTURE

22 – 29 August 2027 | Zanzibar, Tanzania | 6 Nights · 7 Days

An intimate journey for ten remarkable women.

A LETTER TO YOU

Dear Sister,

There comes a moment in every woman's journey when she pauses — not because she is tired, but because she has earned the right to breathe deeply, to be seen, and to be celebrated.

The Wakapadi Women's Zanzibar Retreat was created for that moment.

For ten extraordinary women aged 40 to 59, we have curated something rare: a week that honours your ambition without demanding your exhaustion. Wakapadi arranges your travel, accommodation, and island experiences — while the conference and retreat sessions are organized collectively by the women attending, in a space that is entirely your own.

Zanzibar is not merely a destination. It is a canvas. From the historic corridors of Stone Town to the crystalline waters of Nungwi, every day has been designed to restore, inspire, and reconnect you with the woman you are becoming.

This is your invitation.

With warmth and intention,

The Wakapadi Team
Wakapadi Lifestyle Limited
